

Tough Conversations On Employee Development

**Average
Manager**

Vs.

**Great
Manager**

Monica Aggarwal

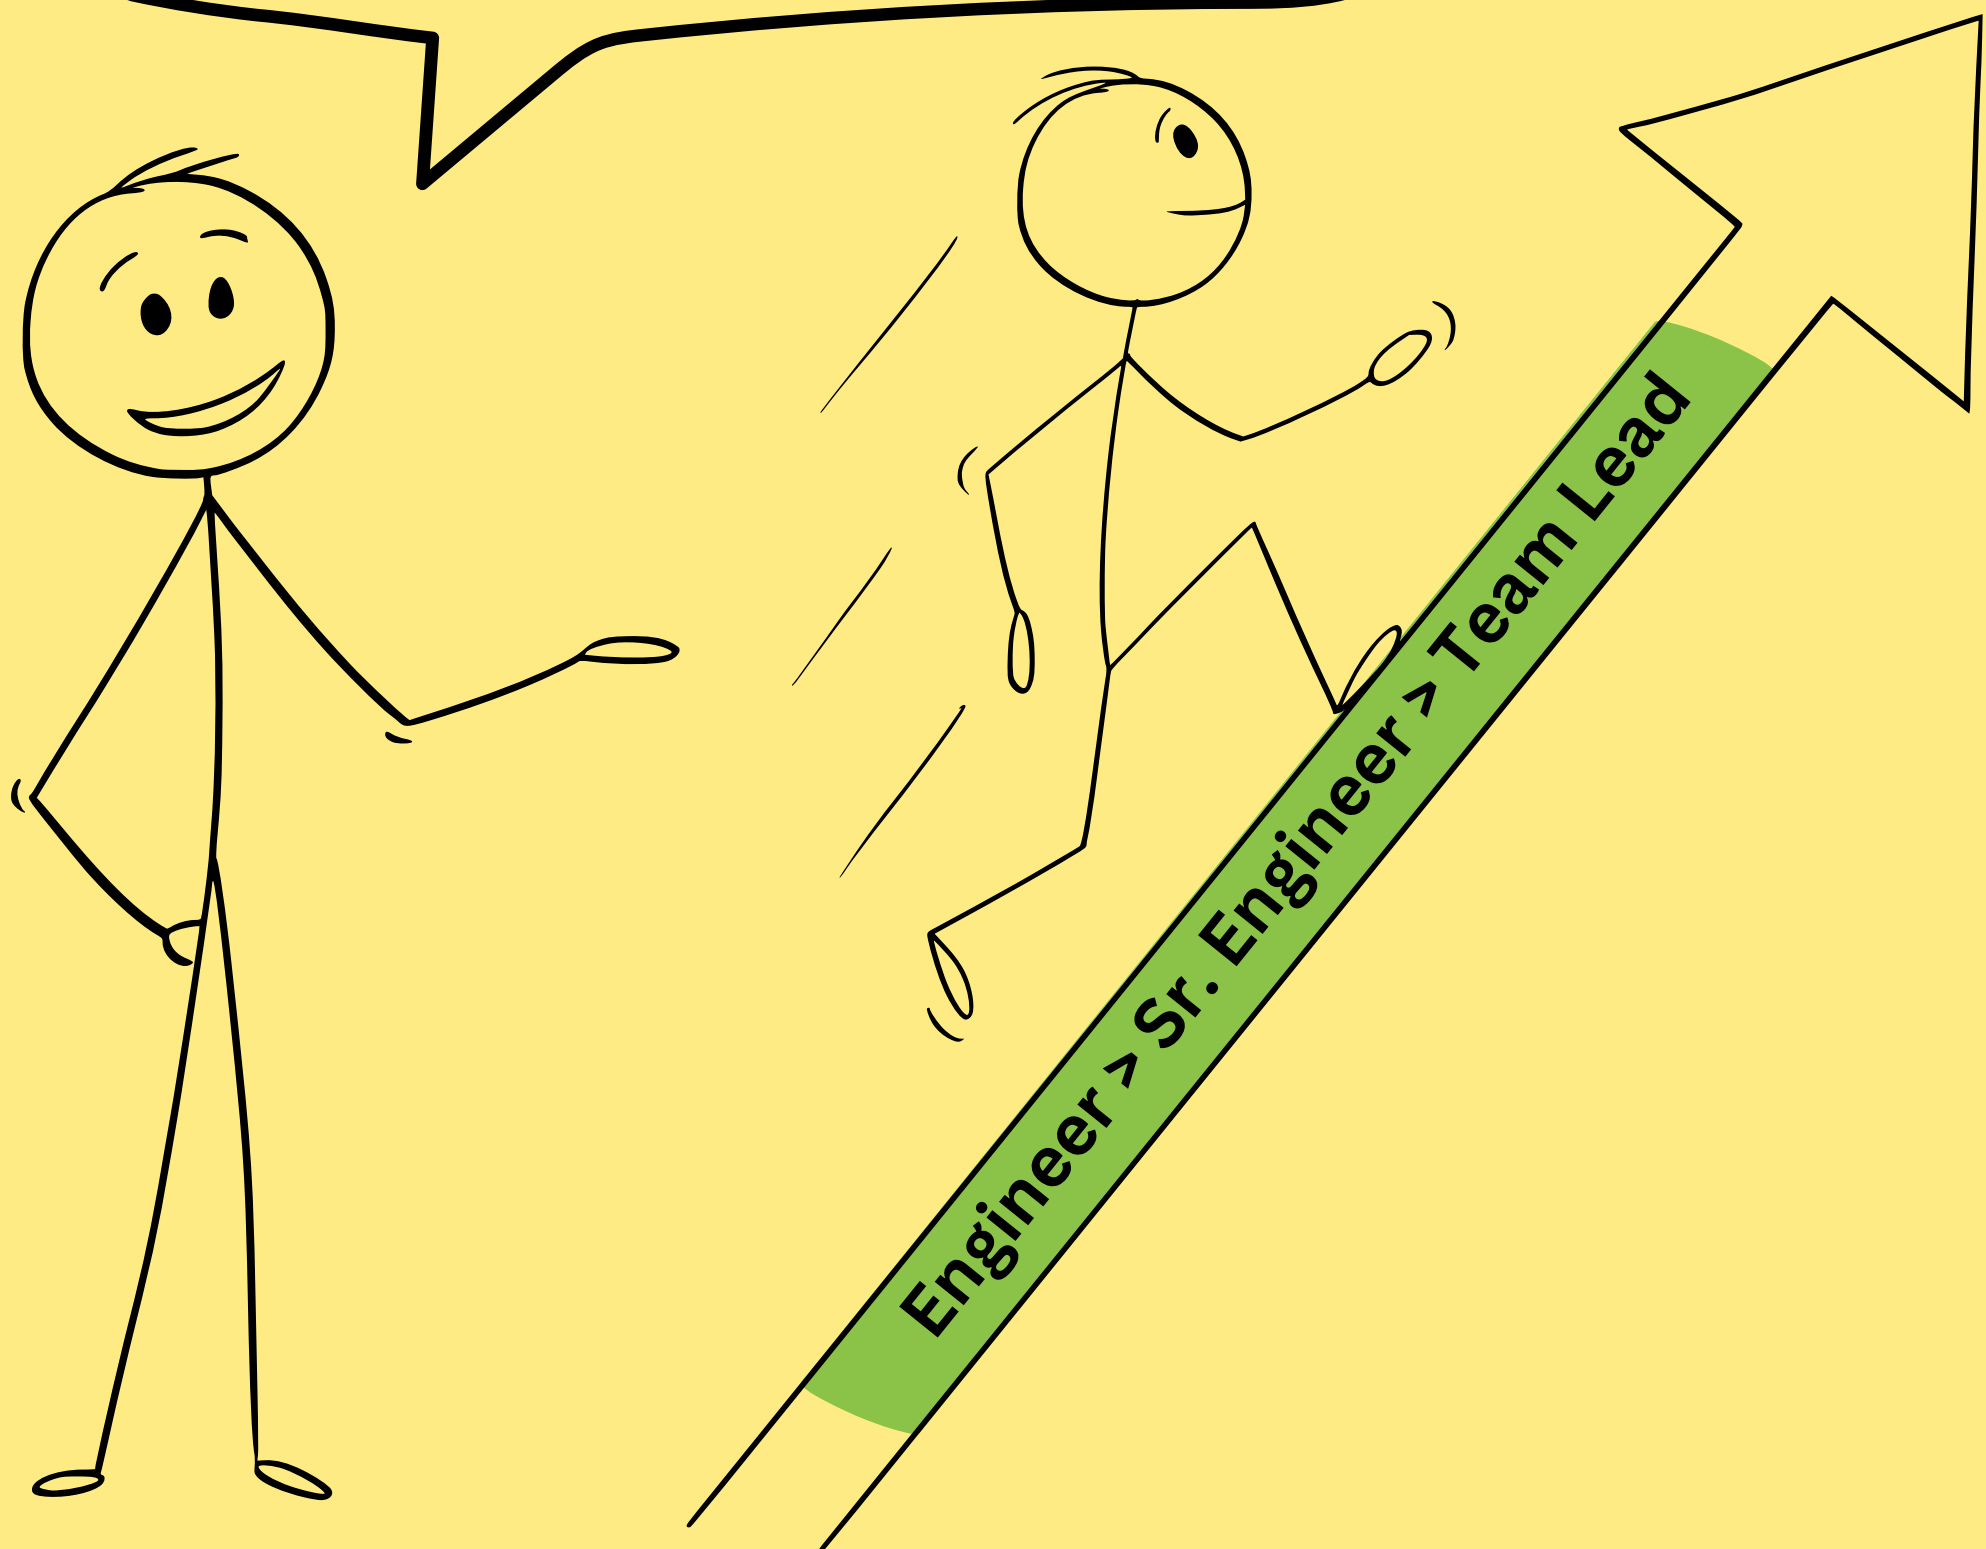

Average Managers Do This

Career Progression

Great Managers Do This

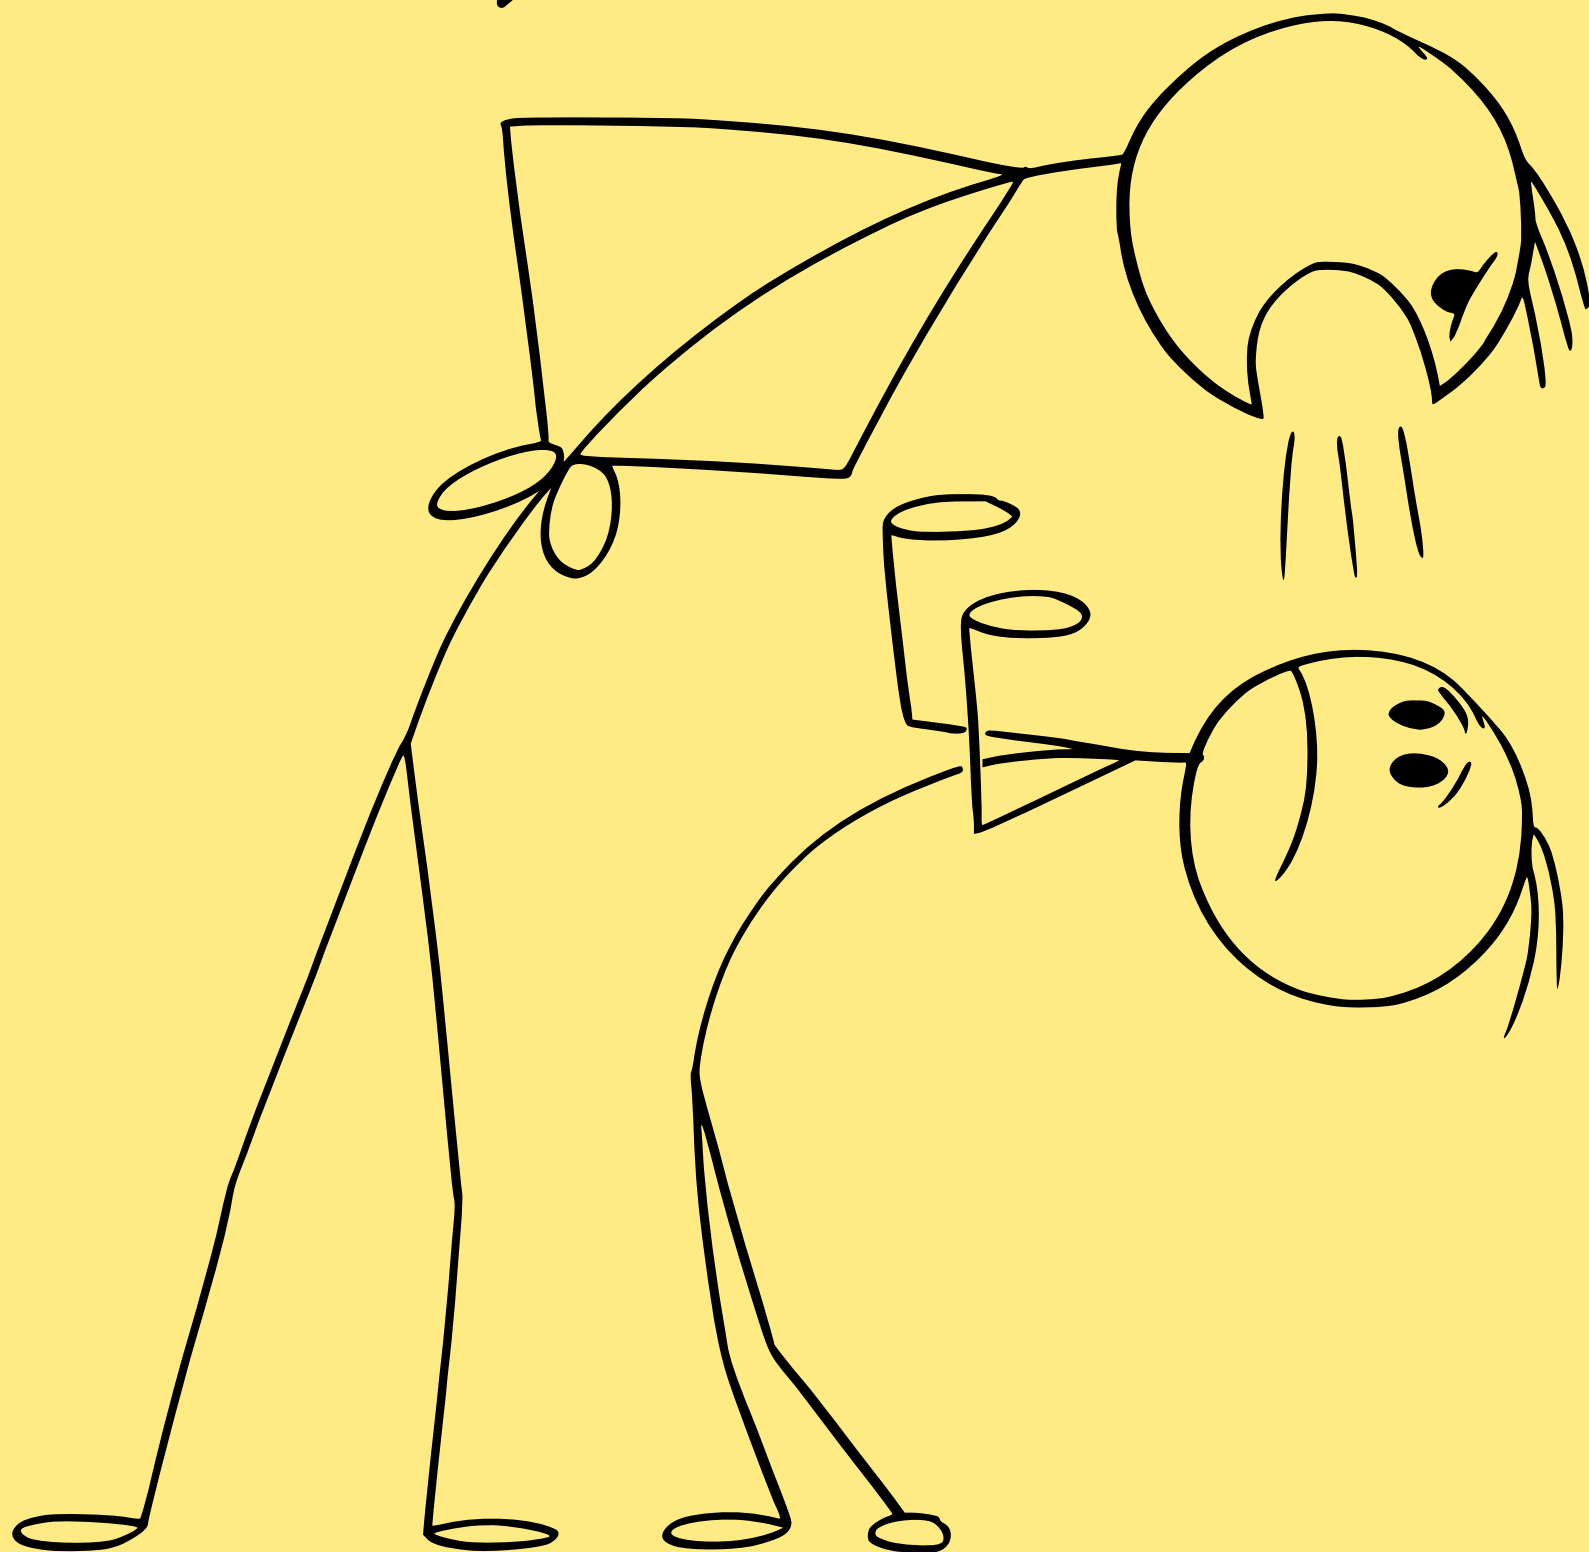

Let's map out a strategic career path that aligns with your passion and our organizational needs.

Career Progression

Average Managers Do This

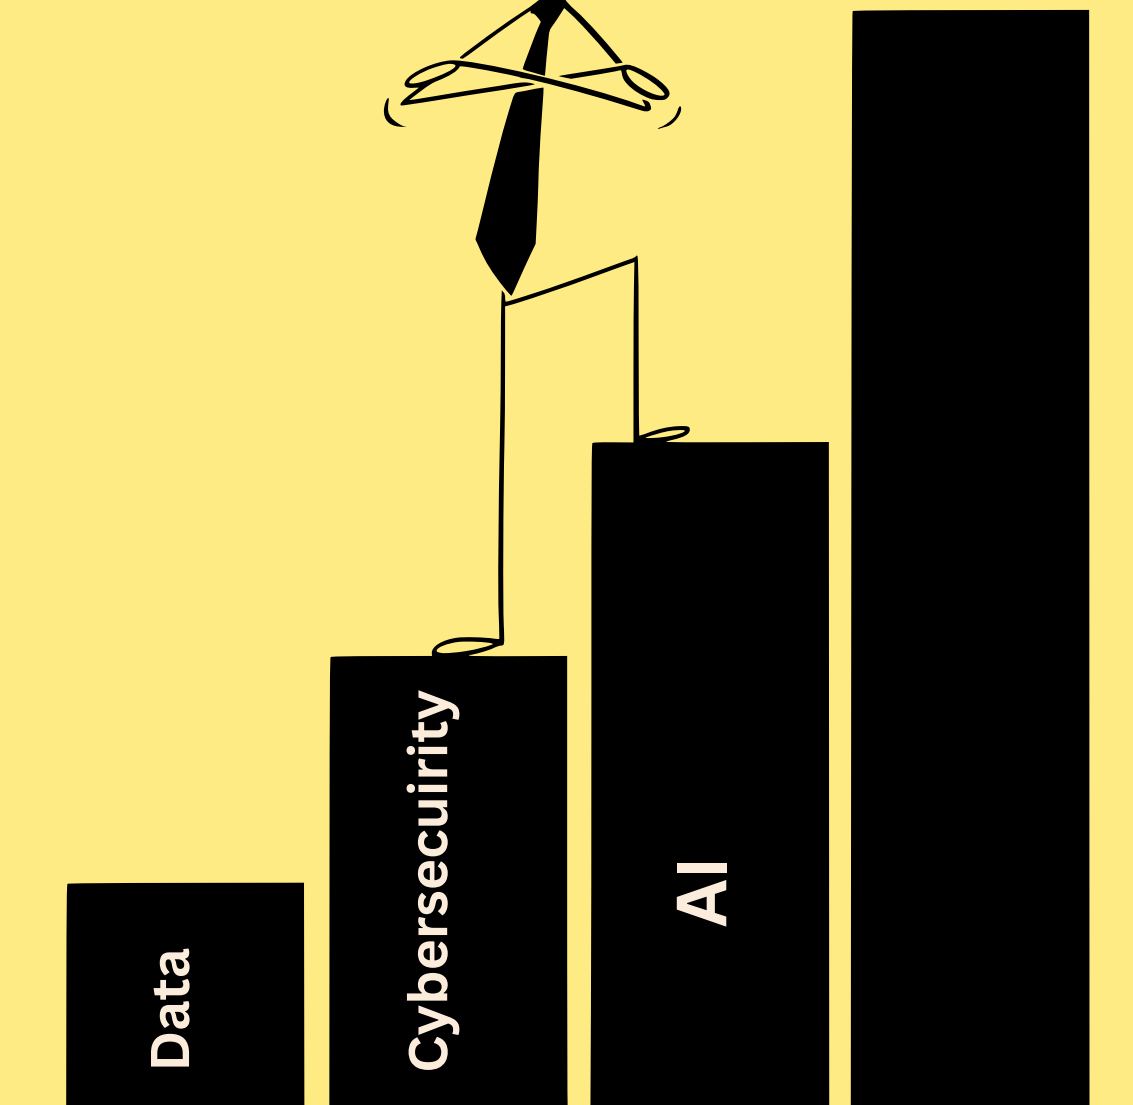

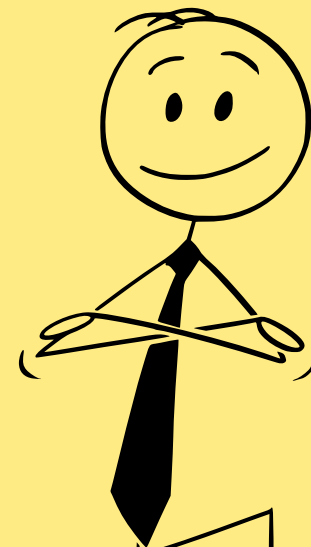

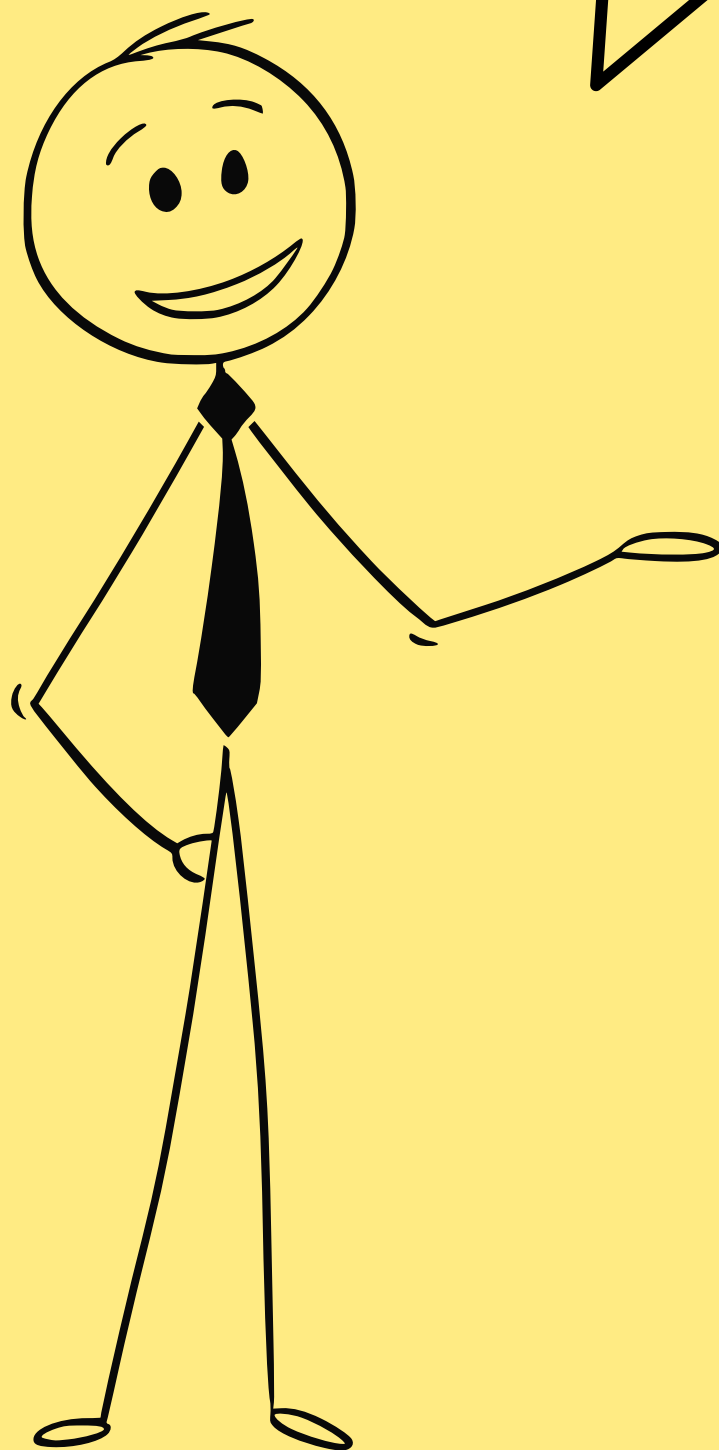

If you want to learn new skills, do it on your own time.

Skill Enhancement

Great Managers Do This

I see potential in you. Which skills would you like to develop, and how can I support your move to another team?

Skill Enhancement

Average Managers Do This

Here's a list of everything
you're doing wrong.

Feedback

Great Managers Do This

Mistakes are opportunities for learning. Let's analyze what we can learn from this experience and help you overcome it.

Feedback

Average Managers Do This

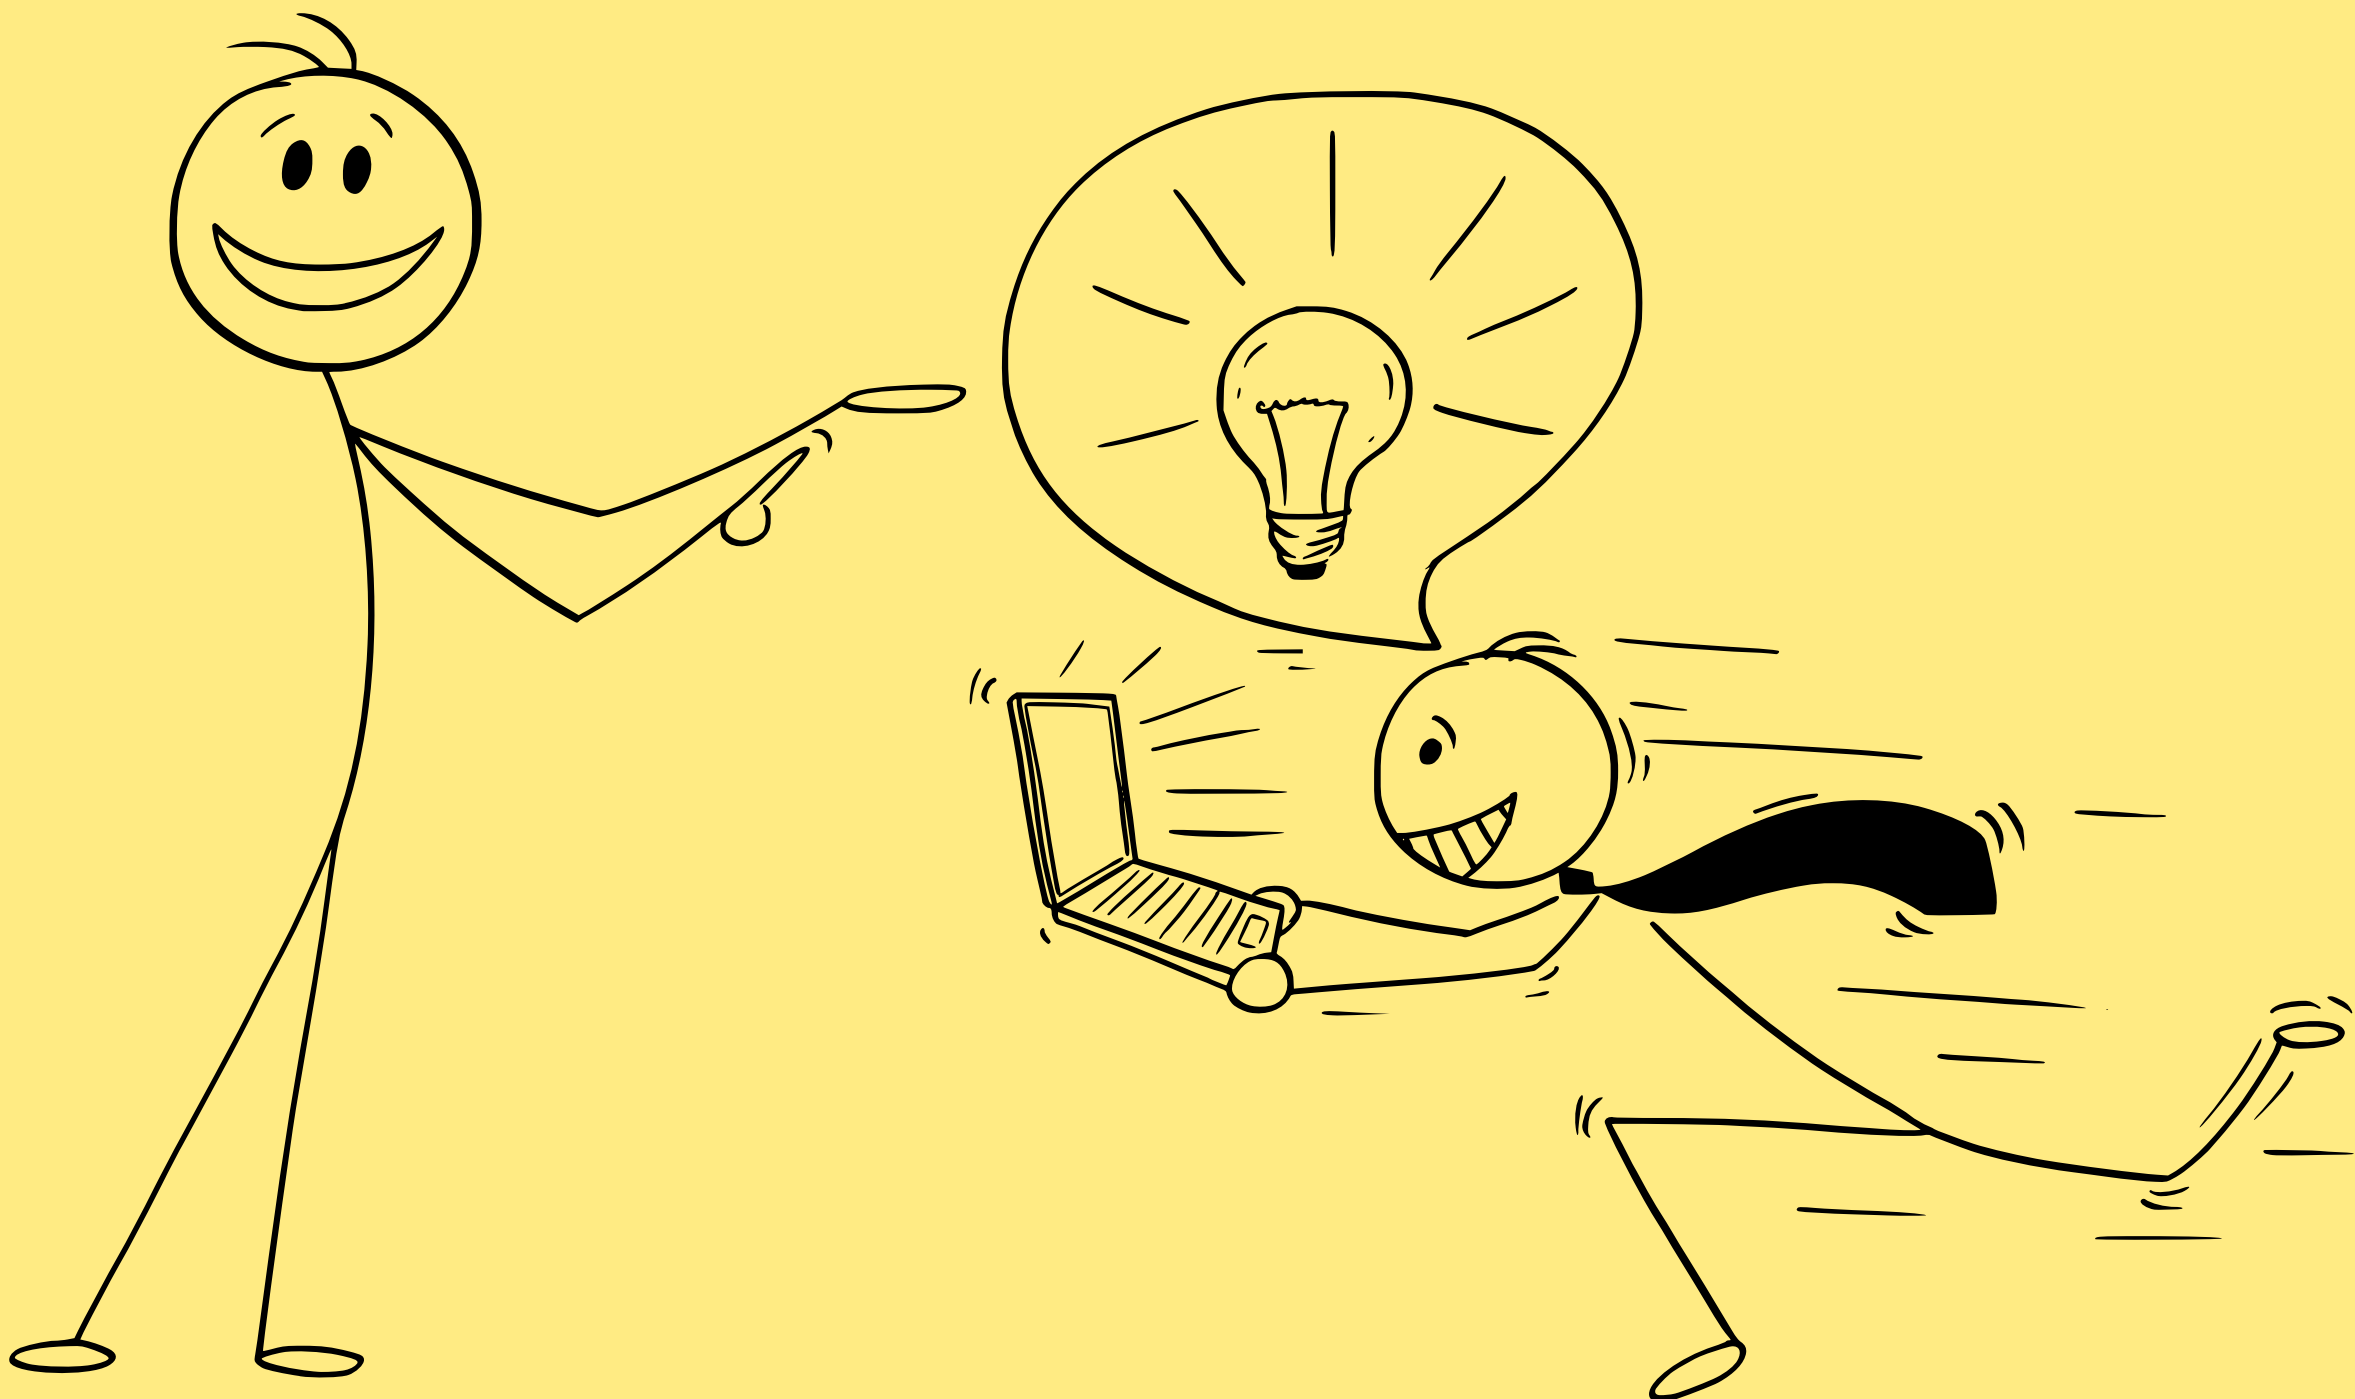

You are 100% billable.
Focus on the current project.
There's no time for new
assignments.

Stretch Assignments

Great Managers Do This

I believe you're ready for a challenging project that will help you grow beyond your current capabilities.

Stretch Assignments

Average Managers Do This

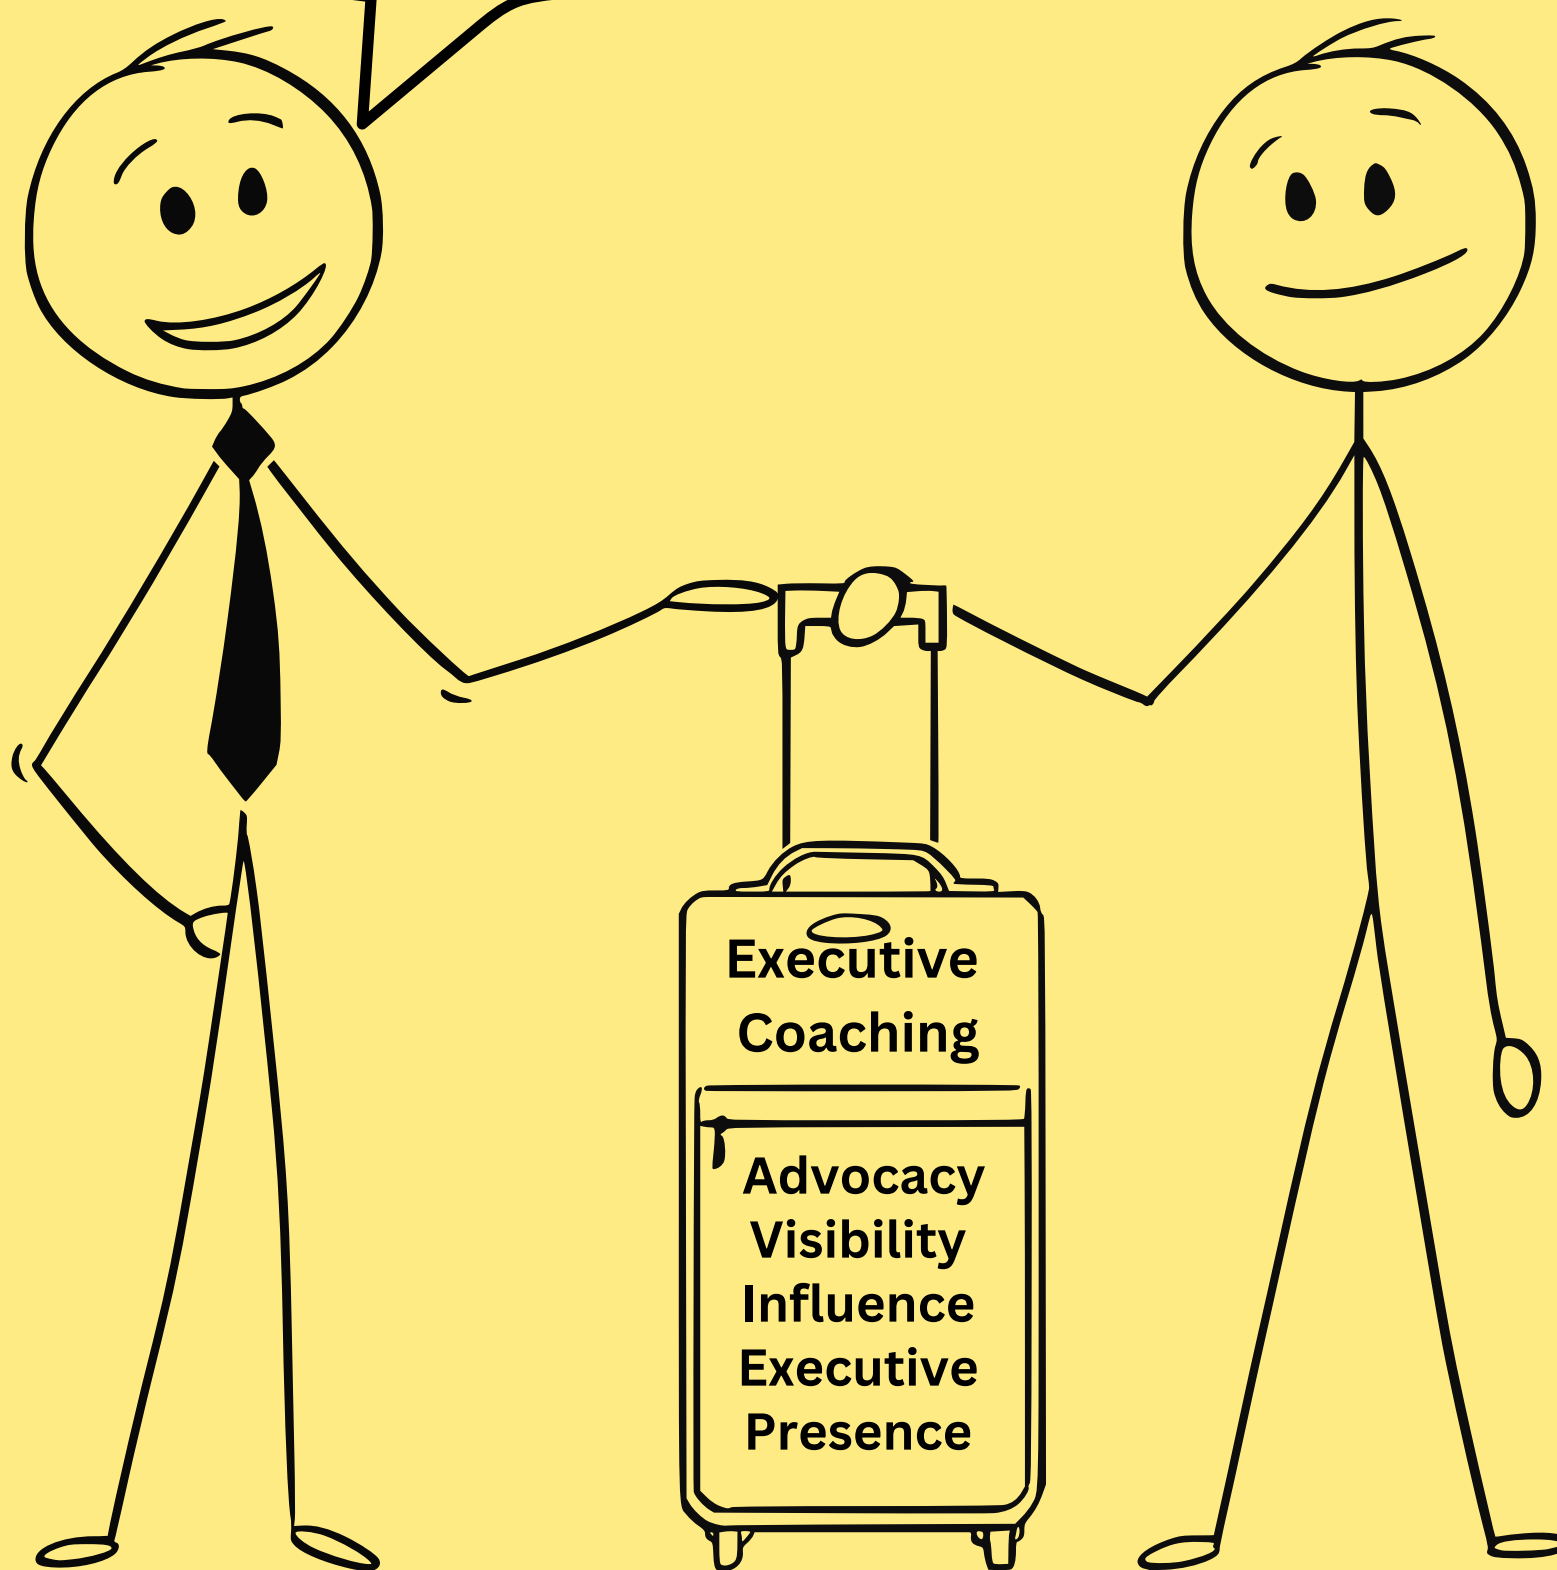

Figure it out yourself.
I'm not here to hold
your hand.

Coaching

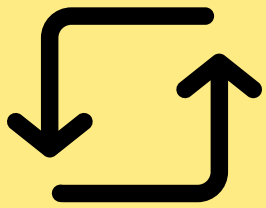

Great Managers Do This

I'd like to connect you with an
Executive Coach who can
help elevate your potential
and transform your journey.
